

## Revolutionize Your Operations with Automation Solutions

Streamline your operations with expert automation solutions for enhanced efficiency and productivity.

### Choose IBT Industrial Solutions as Your Automation Partner

At IBT Industrial Solutions, we understand the challenges that come with running a business. That's why we offer innovative automation services designed to help streamline your processes and improve productivity. With experienced mechanical and industrial engineers, **IBT installs and provides support for:**

#### ✓ Robotics

**Industrial:** Palletizing, de-palletizing, pallet dispensing, slip sheet dispensing, case packing, picking and packing, valve and open mouth bag placing, machine tending, material handling, and welding

**Collaborative:** Palletizing, de-palletizing, machine tending, case erecting, case packing, assembly, valve and open mouth bag placing, and welding

**Autonomous Mobile Robots:** Warehousing, logistics, manufacturing, e-commerce, data centers, healthcare, biotech, and research and development

#### ✓ Fixed Automation

Industrial Equipment: Palletizing, pallet dispensing, slip sheet dispensing, stretch wrappers, banding equipment, pick and place (case filling), case erector, case closing and sealing, wire bending and welding, custom conveying, custom equipment design, and custom fabrication

#### ✓ Dry Bulk Solid Handling, Weighing, and Filling

Bulk bag filling and unloading, palletizing, pallet dispensing, slip sheet dispensing, stretch wrappers, bulk container, valve bag, open mouth bag, check weigh scales, metal detection, bag closing, sewing and sealing (hot air, band and ultrasonic)

#### ✓ Pneumatic Conveying

Blowers, filters, bag houses, airlocks, piping, and slide diverts

#### ✓ Controls

PLC, HMI, vision, panel design and build, and pneumatic

#### ✓ Label Application/Printing

Package label applicators/printing

#### ✓ Complementary Additions

Tanks, hoppers, divert valves, knife gates, butterfly valves, platforms, etc.

### Tailored Automation Solutions for Your Industry Needs

- Material handling
- Palletizing/depalletizing
- Machine tending
- Food packaging
- Pharmaceutical packaging
- Process cell
