

Consolidated[®]

WHERE TRADITION MEETS INNOVATION

**IMPORTER AND AUTHORIZED WHOLESALE DISTRIBUTOR
OF PRECISION BEARINGS AND RELATED PRODUCTS**

CONSOLIDATED BEARINGS COMPANY MAINTAINS AN EXTENSIVE, DIVERSE, AND EXPANDING INVENTORY OF PRODUCTS AT OUR NINE STRATEGIC LOCATIONS THROUGHOUT THE UNITED STATES.

Consolidated
WHERE TRADITION MEETS INNOVATION

Consolidated Bearings Company, is a long time Authorized Schaeffler partner and provider of 100% Factory Direct Products, providing only the highest quality bearings and related components. Founded by William F. Meerwarth in 1932, we are a third-generation family-owned business that continues to play an integral role in the global bearing industry. Consolidated is proud to be an **ISO9001** certified company.

Consolidated has **nine warehouse locations** throughout the United States and provides same-day or next-day delivery to over 3,000 customers. With our experienced team of Customer Service Representatives and Strategic Account Managers, we strive to continually improve our service while offering the highest quality products at globally competitive pricing.

Consolidated continues to focus, invest, and maintain one of the largest and most diverse inventories in the industry, allowing us to rapidly

fulfill our customers requirements daily. We know that downtime can be extremely expensive, and we strive to get our customers “up and running” as quickly as possible.

Our ongoing analysis of territory sales helps us to maintain product availability to specific regions and to provide our Authorized Distributors with easy access to a wide array of products in a timely manner. Of course, we are happy to stock specific products requested by any of our customers at each of our conveniently located warehouses throughout the United States.

Consolidated is Authorized by Schaeffler to sell their portfolio of products, such as INA, FAG and Barden.

In addition, we only offer 100% factory direct products, so that we can ensure quality, traceability, and transparency. This approach has provided our customers with comfort and confidence when purchasing from Consolidated Bearings Company.

Consolidated does not sell GREY MARKET, SURPLUS or REMANUFACTURED products.

CONSOLIDATED BEARINGS COMPANY IS PROUD TO BE AN AUTHORIZED SCHAEFFLER DISTRIBUTOR

Consolidated offers Schaeffler's comprehensive line of bearings and related products. Available via our print and online catalogs, customers can shop Schaeffler's full range of precision bearings such as Cylindrical Roller Bearings, Needle Bearings, Spherical Roller Bearings, Thrust Bearings and Single Row Angular Contact Ball Bearings.

We are constantly increasing our inventory of Schaeffler Products as it is our belief that they manufacture the highest quality bearings available in the industry. **Consolidated Bearings Company does not sell gray market, surplus or remanufactured bearings.**

Tried and true for more than 90 years, Consolidated is your best source for 100% factory-direct products.

SCHAEFFLER

SERVICES

- Same-Day Shipping
- Excellent Customer Service
- Online Store
- Emergency Services
- Bearing Modifications

SAME-DAY SHIPPING

We have a 98% order fill rate. All orders are shipped the same or next day. Additionally, we can arrange expedited same-day air shipments. We have nine shipping locations across the country. Orders are also available for will call and customer pickups. Due to our strategic locations, we can service most of our customers in one or two days via standard ground shipments.

EXCELLENT CUSTOMER SERVICE

We pride ourselves in offering a superior customer service experience. Whether by phone, fax, email or online, your inquiries and orders are processed quickly and efficiently. We believe in providing our customers with the best service possible, and it starts when you pick up the phone and call us. Your call will be answered directly by an experienced and qualified customer service representative, who can provide immediate answers to all of your questions. We believe that our personalized sales experience sets us apart from our competitors.

ONLINE STORE

Available 24 hours a day, our online store allows our Authorized Distributors to access pricing and availability. You can conveniently place orders, check status, and track shipments online at shop.consbrgs.com

AFTER HOURS EMERGENCY SERVICES

Consolidated personnel are available 24 hours a day, 7 days a week to handle all of your emergency requirements. For immediate assistance, please call your local toll free number.

BEARING MODIFICATIONS

Our machine shop is fully equipped to modify cylindrical roller bearings and needle bearings to various internal clearances. Other additional alterations, such as clearance changes on ball bearings, tapering, snap ring grooves, oil holes, special lubrications, solid lube and food grade capabilities are also available. In emergency situations, modified bearings from our machine shop can be shipped the same day or within 24 hours.

Clearance grinding capability up to 380mm OD and/or 130mm width:
C3, C4, C5, W23, RL1, RL2, Custom Clearances

PRODUCTS

Consolidated Bearings Company has one of the largest and most diverse inventories of precision bearings. We have the smallest miniatures to the largest sphericals in stock, with products ranging from a bore size of 1mm to 1200mm.
