

IMPROVE YOUR PLANT LUBRICATION
MAINTENANCE OPERATIONS WITH...

LUBRIPLATE'S COLOR CODING PROGRAM

- Simplifies and improves lubrication maintenance operations and efficiency.
- Color coded charts provide quick and easy identification of the correct lubricant needed for any given application.
- Matching machinery tags ensure the correct lubricant is used for each piece of equipment.
- Prevents lubricant misapplications.
- Matching lubricant storage container tags and signs make finding the correct lubricant quick and easy.
- This complimentary service is offered at NO COST to Lubriplate Customers for all Lubriplate Products.
